

# CARIBBEAN YOGA RETREATS

*A Serene Destination in the Sun*

Yoga instructors, have you dreamed of hosting your own retreat on a beautiful island and at the same time getting paid for what you love to do? Barbados is that beautiful island and a great opportunity to fulfill that dream. Lead your students thru yoga at sunrise over the Caribbean sea, pranayama on a pristine beach, or meditation to the soothing surf. Compliment your sessions with a hike or an aquatic activity and complete the experience with a delightful Bajan meal.
